

Sue Behan on the Big Brum Buz.

# Sightseeing Brum bus in need of help

**BIRMINGHAM'S** Big Brum Buz is looking for new friends to hop on board in order to help keep it on the road.

The City's first open top, live, guided tour bus since the mid-1990s was launched in April to help Brummies and visitors alike to learn more about the city's heritage.

Now, Birmingham Tours, the company behind the privately-funded initiative is looking for financial support to ensure the sightseeing trips can continue.

For a minimum donation of £250 a range of advertising, promotional and sponsorship packages are being made available together with transferable pass arrangements and reciprocal website links.

Tours start from Church Street, Colmore Row next to St Philip's Cathedral each Saturday at 10.30am, 12noon, 1.30-3pm, running every Saturday until September 26. For more information call Birmingham Tours on 0121 427 2555.

■ The *Birmingham Mail* will be reviewing the tour as a Family Days Out feature in our bumper What's On section next Friday.
