Birmingham's Big Brum Buz

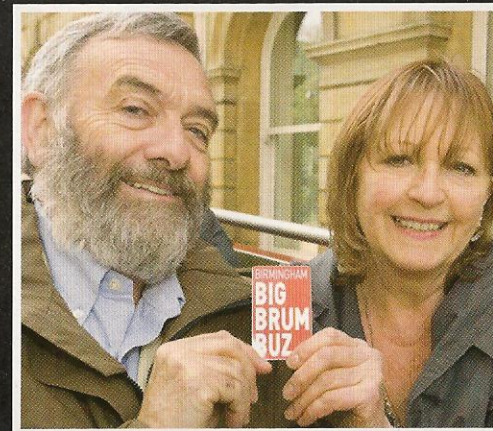

Sue Behan

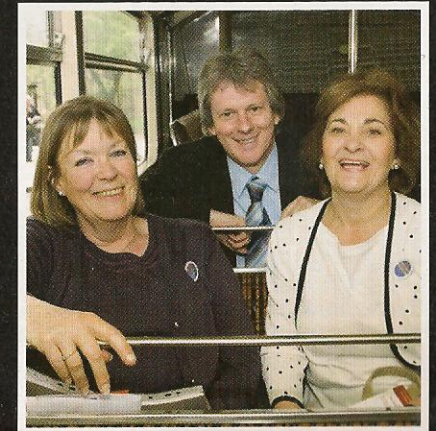

Pictures: Dave Warren

The Big Brum Buz – Birmingham's first Big Brum open top bus since the mid-1990s – has taken to the roads to help promote the city's popular tourist attractions and unique heritage sights. From the commercial heart and the fascinating

Jewellery Quarter through to leafy Edgbaston and the stunning redeveloped Eastside, the bright red open-topped double decker offers live guided sightseeing tours previously unavailable.
