

BIRMINGHAM TOURS BREWERY BUS TOUR

Chocolate, custard, cars, whistles and bangles to the best in the world for beer, science, medicine, education, culture, art and sport – Birmingham has it all! An innovative, imaginative tour highlighting Birmingham's 'liquid' achievements. A live guided exciting adventure through the UK's second city – the Brummagem tour includes not only the sights on the Big Brum Open Top Buz Sightseeing tour but spotlights our liquid heritage! Travelling along Broad Street – the Golden Mile with the Golden Boys and picking up the highway to Edgbaston – home to the manufacturers of the city and the international cricket ground, we link up with the Tolkien trail and the world famous Cardinal Newman Oratory. Entering the city through the Eastside extravaganza we get the full panoramic view of St Martin's Parish Church and the new state of the art Bullring shopping complex with the iconic building of Selfridges. We can promise a truly unforgettable tour – prepare to be entertained, amused and intrigued with tales from around the city.

The guided tour lasts approximately one and a half hours and is totally flexible in terms of timing and meeting points. Link this tour with a can of real ale on the bus and finish with a curry or fish and chip supper at a venue of your choice. Fit in a visit to the Two Towers Brewery. To add an extra special dimension try your quiz for the evening – the Big Brum Buz and So you think you know Birmingham Challenge Quiz. Alternatively, chose from one of the many fabulous restaurants throughout the city and link it with a visit to a museum, attraction, sporting venue, heritage site, art gallery, ballet, theatre, concert or cinema.
