

Georgian Birmingham & Capability Brown Bus Tour

To celebrate the 300th anniversary of Lancelot 'Capability' Brown's birth – England's greatest gardener, Birmingham Tours is running a Georgian Birmingham and Capability Brown guided bus tour on the Big Brum Open Top Bus. With over 170 parks to his name, his influence was felt as close as Edgbaston Hall and Warwick Castle. Here in Birmingham canals, guns, brass and glass were the order of the day and the pioneers of the Industrial Revolution and the Lunar Society led the way in Georgian Birmingham. Although much of Georgian Birmingham was demolished during the 19th century your guide will highlight the hidden gems along our route including the hugely important network of canals in the city centre.
